## HOW TO CITE RULES AND RSMo

**RULES**—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation , i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

**RSMo**—The most recent version of the statute containing the section number and the date.

**T**he Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo Supp. 2012.

**U**nder this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbolology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

**A**n important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

**I**f an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

The written request shall include the proposed employer and the proposed start date of employment. The written request shall then either be approved or denied by the board of trustees. If the request is approved, the recipient's disability benefit shall be placed on hold by the board of trustees for the duration of the trial period, which is not to exceed twelve (12) calendar months. If the recipient is unable to complete his or her trial basis employment period, the recipient must provide written documentation to the board of trustees stating that he or she is not able to complete the trial period. The board of trustees may require the recipient to again submit to a periodic examination by physicians selected by the board of trustees, to determine if the recipient remains incapable of earning a livelihood in any occupation. If determined to still be incapable of earning a livelihood in any occupation, the recipient shall again be considered a disability retiree and receive a disability retirement benefit without resubmitting an Application for Disability Retirement; any contributions paid to the retirement system by the recipient and his or her employer during the incomplete trial basis employment period will be refunded to the employer, which shall then refund its employee for any employee-paid contributions. The recipient shall receive no additional service credit for the incomplete trial basis employment period. If the recipient does successfully complete his or her trial basis employment, his or her disability retirement will be terminated and his or her membership status as of the date of the member's disability retirement shall be restored; any contributions paid by the recipient and his or her employer to the retirement system by the recipient and his or her employer during the trial basis employment period will be retained by the retirement system, and the recipient will be granted service credit for the trial basis employment period. In no event shall the recipient receive a benefit payment in the same calendar month in which the recipient either works for his or her trial basis employer or receives service credit.

**Missouri**  
**Chapter 6—The Public Education Employee Retirement**  
**System of Missouri**

**PROPOSED AMENDMENT**

**16 CSR 10-6.070 Disability Retirement.** The retirement system is amending sections (1) and (7), adding a new section (8), and renumbering current section (8) to section (9).

*PURPOSE: This amendment deletes an unnecessary cross-reference, clarifies that the retirement system may request financial information from disability retirement recipients, and sets forth the requirements and procedures when a disability retiree returns to work on a trial basis.*

(1) A member claiming disability retirement must file a written application for retirement with the board of trustees on a form provided by the board. If a member, because of physical or mental disability, is unable to make application for disability retirement, the written application may be completed by a guardian or trustee designated by a court, and the completed application shall be accompanied by a certified copy of the court order designating the guardian or trustee. If a member indicates in his/her application for disability retirement [(see 16 CSR 10-5.020)] that s/he has applied for dis-

ability benefits provided by the Social Security Act, the Award Letter, or certified copy thereof, issued by the Social Security Administration, will serve as evidence that disability exists.

(7) Any person who is receiving a disability retirement allowance from the retirement system and who has not attained age sixty (60) may not be employed in any capacity by a district included in the retirement system and continue to receive the retirement allowance. Any such person may not be employed in any capacity for any other employer, the compensation for which employment would constitute a livelihood, and continue to receive the retirement allowance. The executive director, and/or the board of trustees, shall determine what constitutes a livelihood in such instance. **The recipient of disability benefits may be required to submit tax returns, W-2 forms, paycheck stubs, and other forms of documentation as evidence of continued eligibility for disability retirement.**

(8) A recipient of disability benefits may make a written request to the board of trustees to return to full-time or part-time employment on a trial basis. The written request shall include the proposed employer and the proposed start date of employment. The written request shall then either be approved or denied by the board of trustees. If the request is approved, the recipient's disability benefit shall be placed on hold by the board of trustees for the duration of the trial period, which is not to exceed twelve (12) calendar months. If the recipient is unable to complete his or her trial basis employment period, the recipient must provide written documentation to the board of trustees stating that he or she is not able to complete the trial period. The board of trustees may require the recipient to again submit to a periodic examination by physicians selected by the board of trustees to determine if the recipient remains incapable of earning a livelihood in any occupation. If determined to still be incapable of earning a livelihood in any occupation, the recipient shall again be considered a disability retiree and receive a disability retirement benefit without resubmitting an Application for Disability Retirement; any contributions paid to the retirement system by the recipient and his or her employer during the incomplete trial basis employment period will be refunded to the employer, which shall then refund its employee for any employee-paid contributions. The recipient shall receive no additional service credit for the incomplete trial basis employment period. If the recipient does successfully complete his or her trial basis employment, his or her disability retirement will be terminated and his or her membership status as of the date of the member's disability retirement shall be restored; any contributions paid by the recipient and his or her employer to the retirement system by the recipient and his or her employer during the trial basis employment period will be retained by the retirement system, and the recipient will be granted service credit for the trial basis employment period. In no event shall the recipient receive a benefit payment in the same calendar month in which the recipient either works for his or her trial basis employer or receives service credit.

[(8)](9) The surviving spouse[, or children of a deceased disability retiree, or both, shall have the same rights to benefits under section 169.670, RSMo, as does the surviving spouse[, or children, or both, of a member who dies while employed in a district included in the retirement system.

## Title 2—DEPARTMENT OF AGRICULTURE Division 30—Animal Health Chapter 2—Health Requirements for Movement of Livestock, Poultry, and Exotic Animals

### ORDER OF RULEMAKING

By the authority vested in the director of agriculture under section 267.645, RSMo 2000, the director amends a rule as follows:

**2 CSR 30-2.020** Movement of Livestock, Poultry, and Exotic Animals Within Missouri **is amended**.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 3, 2012 (37 MoReg 1762-1765). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The Department of Agriculture received two (2) comments on the proposed amendment.

**COMMENT #1:** The Conservation Federation of Missouri considers the proposed amendment to be an important step to enhance the health of deer in Missouri and will improve surveillance in the state and requests the department to consider Chronic Wasting Disease (CWD) testing requirements for hunting preserves.

**RESPONSE:** The Missouri Department of Agriculture (MDA) appreciates the suggestion for mandatory CWD testing for hunting preserves. Currently the hunting preserves in Missouri have signed a voluntary agreement to test all imported cervids for CWD.

**COMMENT #2:** The Missouri Department of Conservation (MDC) supports the proposed amendment to ensure the health and sustainability of captive and free-ranging deer across the state. The Department of Conservation would like to see MDA to consider the language in subsections (6)(B) and (6)(C) and clarify how MDA intends to oversee and provide enforcement on this issue. Also in subsection (6)(E) MDC suggests that MDA place similar restrictions on breeding facilities and making a level of testing mandatory for hunting preserves.

**RESPONSE:** The Department of Agriculture has regulations in place to address these concerns and will continue to adhere to the current regulations and standards to control and contain disease (9 CFR Chapter 1, Subpart B, Parts 50, 51, and 55, USDA Uniform Methods and Rules (UM&R), the "Missouri Livestock Disease Control and Eradication Law," and the "Missouri Livestock Marketing Law") in the livestock markets. These standards will be followed in the event of a disease incident.

## Title 13—DEPARTMENT OF SOCIAL SERVICES Division 35—Children's Division Chapter 100—Tax Credits

### ORDER OF RULEMAKING

**Title 13—DEPARTMENT OF SOCIAL SERVICES  
Division 35—Children's Division  
Chapter 100—Tax Credits**

**ORDER OF RULEMAKING**

By the authority vested in the Children's Division under section 135.1180, RSMo Supp. 2012, the director adopts a rule as follows:

The form with changes is reprinted here; please note, changes have been made to the attached form (MO886-4499) to include various types of donations. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The director of the Children's Division received one (1) comment on the proposed rule.

**COMMENT:** Staff noted that needed information was missing from the application form. It was noted that not all types of donations were included nor was the requirement to provide documentation for all donation types. In addition, a field was needed for information on contributions that include a benefit to the donor.

**RESPONSE AND EXPLANATION OF CHANGE:** The following changes have been made to the application for tax credit form. The division added boxes for additional types of donations as well as the requirement to include documentation for all donation types. In the Donor Information section, a field for donations that include a benefit to the donor was added. Because of these updates, the instruction sheet for the application was changed accordingly.

**Chapter 3—Funds of Retirement System**

**ORDER OF RULEMAKING**

## CERTIFICATION LETTER

Due to the passage of House Bill 45 in the 2011 legislative session, the requirement regarding small businesses in section 1.310, RSMo, was extended to small businesses with **fifty or less** employees.

The third paragraph of the certification letter for proposed rulemakings will need to be reworded to reflect this change in statute. The paragraph should be changed from “fewer than twenty-five full- or part-time employees” to “fewer than fifty full- or part-time employees” in two instances.

An updated example of the certification letter is available on our website at [www.sos.mo.gov/adrules/forms.asp](http://www.sos.mo.gov/adrules/forms.asp).
